

Art. no.: 024.08

OX-ON Garden Basic 5000

Features:

- Designed for both dry and humid environments
- Particularly suitable for gardening work
- Soft and comfortable.

Colours:

turquoise, black

Materials:

nitrile 55%
polyester 45%

Product Description:

OX-ON Garden Basic 5000 is for anyone wanting a good affordable garden glove when working in horticulture, in greenhouses, kitchen gardens or with tools and for harvesting fruit and berries.

This is a quality, well-designed glove that is great to wear and flexible to work with. Garden Basic 5000 is a knuckle dipped knitted glove in polyester which gives full flexibility and an ideal fit. The palm and up to the knuckles are made of nitrile foam for protection and extra comfort.

Garden Basic 5000 is also suitable for use in humid environments and working with wet soil, making it suitable for all gardening work.
