Product Description:

The OX-ON Garden Basic 5002 is a flexible, affordable glove for anyone working in horticulture, in greenhouses and kitchen gardens, harvesting fruit and berries, weeding or working with tools.

Finger-dipped knitted glove in polyester ensures a good fit and closes around the wrist. The palm and fingertips are made of nitrile foam for comfort and extra protection. The glove is soft and provides great flexibility for occasional gardening.

The OX-ON Garden Basic 5002 combines solid materials with quality design in a garden glove at a reasonable price.
