OX-ON Garden Basic 5003

Features:

- Particularly suitable for gardening work
- Waterproof palm and fingertips
- Unique grip

Colours:

flourished

Product Description:

The OX-ON Garden Basic 5003 is for anyone looking for a stylish and functional garden glove, where a little extra has been made of the design. For example, it can be used for simple washing and cleaning, transplanting, weeding, trimming, or working with tools or gardening.

This is a colorful model with flower print in blue and white shades on a light green background.

Finger-dipped knitted glove in polyester for ideal fit and dexterity. Palm and fingertips made of waterproof nitrile to keep hands dry and ensure a good grip.

Garden Basic 5003 is a high quality glove with a unique design that adds extra color to your gardening.
