Product Description:

The OX-ON Garden Basic 5004 is the garden glove for anyone who appreciates colors and designs that stand out. For example, can be used when working in horticulture or with tools for simple washing, cleaning, transplanting, weeding or trimming.

This model provides a unique garden glove with flower print in many shades on a bright background. It is also a highly functional glove with good comfort and keeps the hands dry when working with moist soil and plants.

Garden Basic 5004 is a finger-dipped knit glove in polyester for optimum fit. Palm and fingertips are made of waterproof nitrile, which gives a unique grip. This glove ensures you are well dressed for work in the garden in every way.
