Product Description:

The OX-ON Garden Comfort 5300 is an Oeko-Tex® certified glove for anyone working in greenhouses, horticulture, harvesting fruit and berries, as well as all other gardening.

The Oeko-Tex® label gives the assurance that the glove has been tested for substances harmful to health and the environment. High quality can also be expected from the polyester finger-dipped knitted glove that gives ideal fit. The palm and fingertips are coated with nitrile foam for great comfort and wearing for longer periods of time.

Stylish design with colors in black and green. A single black flower is printed on the back. The Garden Comfort 5300 is the most popular Garden series glove, providing high quality for the price.
