nitrile 50%
polyester 50%

Product Description:

The OX-ON Garden Comfort 5301 is an Oeko-Tex® certified glove for anyone looking for a function, stylish glove for working in greenhouses, horticulture, and harvesting fruit and berries, as well as all other gardening.

The Oeko-Tex® label gives the assurance that the glove has been tested for substances harmful to health and the environment.

The Garden Basic 5301 is a finger-dipped knitted glove in polyester for great flexibility and fit. The design features pink color with a single black flower printed on the back of the hand. The palm and fingertips are made of nitrile foam for a soft and comfortable feeling, allowing them to be worn for longer periods of time.

This is the most popular Garden Series glove with guaranteed high quality materials.
