

Art. no.: 025.48

OX-ON Garden Comfort 5304

Features:

- Rib knit wrist
- Suitable for gardening work
- Solid grip
- Soft and comfortable

Colours:

white, green

Product Description:

The OX-ON Garden Comfort 5304 is for anyone who wants a comfortable glove for use in dry environments in horticulture, in the greenhouse and kitchen garden, or when working with tools, weeding and trimming.

The glove is made of soft cotton and elastane for a comfortable fit. The palm is coated with mini PVC dots for a firm grip when working with tools or plants. This model has a knitted cuff to avoid soil and dirt penetrating. The knitted cuff is soft and gives an extra good fit.

The Garden Comfort 5304 has a flower print on the back of the hand and is in green and white colors. The materials are high quality and allow ideal breathability.
