PVC 2%

Product Description:

The OX-ON Extreme Supreme 4600 is a flexible, strong work glove of the highest quality. Ideal for working in assembly, horticulture or gardening at home.

The palm is made of synthetic leather, giving extra protection. There is also reinforcement on the fingertips and between thumbs and index fingers.

The back of the hand is made of nylon and elastane for full flexibility, strength and mobility at work.

This model from the Supreme range has Velcro closure at the wrist to ensure a stable and comfortable fit and prevents dust and dirt from getting in to your hand. This unique work glove features quality in every detail and can be used by both professional and private.
