- Extra reinforcements.

Colours:

black, brown

Materials:

PU 50%
polyester 44%
spandex / lycra 6%

Product Description:

The OX-ON Extreme Comfort 4300 is an elastic glove with a great fit, suitable for e.g. assembly work, carpentry or hobbies.

A comfortable glove with a polyester and elastane back of the hand. The palm is in PU, making this a smooth and protective glove, with the fingertips reinforced with PU. The Velcro closure at the wrist ensures a stable and comfortable fit and prevents dust and dirt from getting in to your hand.

The OX-ON Extreme Comfort 4300 can also be used for various leisure activities such as riding, as the extra reinforcements in the glove make it easy to handle ropes and reins.

Sizes:
