Product Description:

OX-ON Extreme Comfort 4301 is a quality glove ideal for agriculture, horticulture, transportation or waste disposal. It is also suitable for working at home in the garden or around the house.

This model features an elastic work glove with a back of the hand in elastane and polyester plus palm and finger reinforcement in PU. It has a gauntlet cuff for extra protection around the wrist.

Extreme Comfort 4301 means high quality for the money, a multi-purpose glove that will last for a long time.
