Product Description:

The OX-ON Winter Supreme 3605 is a well-designed, warm, comfortable winter glove ideal for rough work in connection with construction, transportation, waste disposal and construction tasks. Soft and smooth goatskin in the palm and fingertips providing a glove with perfect flexibility and a solid grip. The back of the hand is in yellow fluorescent polyester, with extra reflective reinforcement on the knuckles to ensure better protection and high visibility. The Winter Supreme 3605 is lined with soft cotton for a comfortable warm glove.
