Product Description:

The OX-ON Worker Supreme 2610 is a high-visibility glove for when it is important for your safety to be seen, for example in the construction or transport industry. This exclusive work glove has a yellow hi-viz colored back of the hand and 7 cm gauntlet cuff to enhance visibility, along with an extra reflector sewn on the knuckles. The palm, thumb and fingertips for Worker Supreme 2610 are made in soft and smooth goatskin. The back of the hand is made of polyester, which gives you greater flexibility and dexterity. Inside, the glove is lined with soft cotton to make it comfortable to wear all day long.
