Product Description:

The OX-ON Winter Comfort 3306 is an all-round winter glove of high quality. Ideal for working in conditions where there is a risk of hands getting wet and cold.

The knit is made of acrylic and polyester and the glove is finger-dipped for an excellent fit and safety, while keeping the hands warm during work. The palm and entire thumbs are coated with soft latex foam. Winter Comfort 3306 is designed to provide ultimate comfort, perfect dexterity and unlimited flexibility. The OX-ON Winter Comfort 3306 is one of the best-selling winter gloves on the market when a solid grip is needed without having to compromise finger sensitivity and mobility.
