Product Description:

The OX-ON Worker Comfort 2308 is an extremely comfortable and flexible glove designed for technicians when good dexterity and protection are needed, e.g. for assembly, industry, warehousing or garden.

This is a light work glove that fits well and Velcro closure for a tight fit around the wrist. The back of the hand is in elastane for good flexibility. Worker Comfort 2308 is made of flexible goatskin for good dexterity and the necessary protection.

A work glove that can be used in many situations and is highly durable for professional or private use.
