Product Description:

The OX-ON Extreme Supreme 4601 is a work glove in a class of its own, with Velcro closure on the wrist. Ideal for working in assembly, horticulture or gardening at home. Great fit, with a back of the hand made of polyester and nylon so you can move your hand freely around. The palm is made of PU, a strong material that protects and gives durability. Extreme Supreme 4601 also has reinforcements on the fingertips and the entire index finger. The Velcro closure at the wrist ensures a stable and comfortable fit and prevents dust and dirt from getting in to your hand. This glove combines quality materials and the ultimate combination of durability, protection and flexibility in a simple and stylish design.
