Product Description:

The OX-ON Extreme Supreme 4602 provides a top quality glove with extra protection on the knuckles. Especially suitable for professionals working with, for example, assembly or in warehousing, and for private use in the garden or leisure pursuits such as cycling.

The palm is made of PU which is also used on the knuckles, fingertips and the entire thumb for extra protection. The back of the hand is made of nylon and polyester for an incredibly smooth and flexible work glove. The Velcro closure at the wrist ensures a stable and comfortable fit and prevents dust and dirt from getting in to your hand. Extreme Supreme 4602 is a quality glove with a high degree of flexibility and extra protection for professional and private use.
