Product Description:

The OX-ON Eco Comfort 7301 cares for the environment, is allergy-resistant and provides good protection for professionals working in e.g. horticulture and agriculture, or for leisure pursuits.

The glove is chrome 6 free and therefore has no harmful substances that can cause allergy or eczema. It is also environmentally friendly, as it is tanned with vegetable oil. Eco Comfort 7300 is made of soft and smooth goatskin on palm, thumb and knuckle and nail reinforcement. The back of the hand contains elastane, which makes the glove extra flexible and gives particularly good mobility. Designed for ease of putting on and taking off. Choosing this model benefits the user and the environment.
