leather 70%
cotton 30%

Product Description:

The OX-ON Worker Comfort 2300 is a glove with great durability for the craftsman and construction tasks.

Features an extra thick layer of cowhide on the palm, knuckles and fingertips, making it extra durable. The back of the hand is breathable and sweat-absorbing cotton. Inside the glove is an extra cotton insert that provides good comfort. It also has a 7 cm Gauntlet cuff for protection around the wrist.

Worker Comfort 2300 is an extra durable work glove that can be used in many work environments.
