Product Description:

The OX-ON Worker Basic 2000 is a classic work glove for professionals working in e.g. agriculture, forestry, transportation, construction or industry. Durable cowhide in the palm, fingertips and knuckles for a firm grip. The back of the hand is made of cotton for greater breathability, flexibility and exceptional comfort. The glove has a 7 cm gauntlet cuff for extra protection on the wrist. OX-ON Worker Basic 2000 is an economically attractive model that does not compromise on quality, providing a solid work glove for private or professional use.
