Product Description:

The OX-ON Worker Basic 2002 is a sturdy work glove with safe and secure grip—for example, if working with roofing, agriculture, forestry or industry. The back of the hand and palm are made of durable split leather with a heat-resistant effect. An inner cotton lining gives extra comfort and allows the gloves to be worn for long periods. Worker Basic 2002 is an affordable and safe model that can be used for a variety of purposes professionally or privately.
