Product Description:

The OX-ON Worker Basic 2003 is a comfortable, durable glove for welding or other rough industrial work.

The back of the hand and 14 cm long cuff are made of split leather for a heat-resistant effect on the hand and forearm. Provides excellent protection from sparks and other hot items. The palm consists of cowhide—a robust and durable material.

The Worker Basic 2003 is a price-conscious choice that ensures good protection for various tasks, such as welding.
