Product Description:
The OX-ON Knitted Comfort 13300 is a classic knitted glove with dots, which can be used for virtually any kind of work such as masonry, carpentry or gardening, transportation or waste disposal.
The glove is made of a mixture of 40% polyester and 60% cotton, which means comfort and good flexibility. Features dots in the palm to ensure good grip e.g. when working with carpentry or scaffolding.
The Knitted Comfort 13300 has a knitted cuff at the wrist that ensures a close fit around the hand. Classic, comfortable all-round glove that can be used in many contexts, both professional and private. The dark color also helps conceal dust and dirt.
