0.283 m3 world eq.

Product Description:

The OX-ON Winter Comfort 3303 is a 100% waterproof and extra warm glove for bricklaying, construction work, scaffolding, horticulture, gardening, wastewater and waste disposal. Well-insulated, good fit and excellent heat retention whilst still ensuring sublime grip, whether wet or dry. These are therefore the perfect choice for the most demanding tasks. The OX-ON Winter Comfort 3303 is an extremely durable glove with double nitrile coating: The inner blue coating keeps your hands dry. The outer black coating is sandy nitrile for an extraordinarily good grip. The knit is acrylic and polyester to make the glove warm and durable.
