Product Description:

The OX-ON Extreme Basic 4000 is a good-value glove for e.g. assembly, workshop or warehouse work. Combines different materials, giving an extra flexible and soft work glove. The back of the hand is in black polyester to ensure a particularly good fit and flexibility. The glove's palm is made of soft and flexible PU/microfiber for ideal protection of the palm, and making it comfortable to wear for long periods. The stitching on the back of the hand ensures a well-fitting glove designed to put on and off quick and easily. With Extreme Basic 4000 you can feel safe wearing a comfortable glove at a reasonable price.
