Product Description:

The OX-ON Flexible Basic 1002 is the ideal glove when an extremely durable and solid grip is needed - both when wet and dry. Whether working with lifting, plumbing, scaffolding or assembly, this is an affordable glove that is waterproof throughout the gripping surface. That means it remains comfortable even when wet. Flexible Basic 1002 is a finger-dipped polyester knit glove, providing the wearer with full finger dexterity and functionality.

This OX-ON glove features a thin waterproof nitrile coating on the palm and fingers and the glove's knit fabric made of polyester ensures a comfortable fit. The Flexible Basic 1002 is durable and ideal as a lightweight and waterproof work glove.
