## OX-ON Flexible Supreme 1601

### Features:

- Knuckle-dipped
- Extremely durable
- A secure and precise grip
- Extremely comfortable

### Colours:

grey, black

### Materials:

nitrile 45%  
nylon 40%  
spandex / lycra 15%

### Product Description:

The OX-ON Flexible Supreme 1601 is an exclusive and extremely durable all-round glove for perfect finger sensitivity and effective protection for carpentry, masonry, grinding or assembly work. Fits the hand completely. The entire palm, fingers and back of the hand up to the knuckles have a nitrile foam coating for a solid and precise grip when working in dry environments. The unique design and coating make the glove resistant to dust and dirt.

The OX-ON Flexible Supreme 1601 is made of nylon and elastane, making this knitted glove flexible and comfortable when a safe grip is needed. This model is also Oeko-Tex certified, guaranteeing that it does not contain hazardous chemicals or dyes.
