Product Description:

The OX-ON Flexible Supreme 1602 is an exclusive, extremely comfortable, smooth and durable glove with perfect dexterity and amazing grip. Whether a plumber, electrician, scaffolder or warehouse worker, the Flexible Supreme 1602 is the uncompromising choice for a working glove for both wet and dry environments. The entire palm and fingers have a dipped nitrile foam coating. Additionally, the dots on the palm hand ensures a precise grip. Incredibly elastic, as it is made of nylon/elastane for the perfect fit.

Excellent for sanding or assembly work, and is often chosen by carpenters, masons, machine operators, etc.

This model is also Oeko-Tex certified, guaranteeing that it does not contain hazardous chemicals and dyes.
