Features:

- Oil resistant and liquid tight
- Extremely durable
- Knitted cuff
- Very good grip
- Knuckle-dipped blue nitrile coating.

Colours:

blue, white

Materials:

cotton 52%
nitrile 48%

Product Description:

The OX-ON NBR Comfort 8300 is an extremely durable glove for working in wet environments, such as wastewater, masonry or construction work, waste disposal, construction, transportation or industry. The glove is liquid-tight to keep fingers dry. This blue NBR nitrile work glove also gives an exceptionally good grip on e.g. oiled items. The nitrile coating covers both the palm and fingers all the way up to the knuckles.

The back of the hand is made of cotton for comfort and breathability. The NBR Comfort 8300 has a knitted cuff for a tight and stable fit.
