cotton 52%  
nitrile 48%

### Total water

**consumption:**  
8.894 m3 world eq.

### Product Description:

The OX-ON NBR Comfort 8302 is the extremely durable glove for working in wet environments, e.g. masonry or wastewater, construction work, waste disposal, construction, tanker transportation or industry.

The glove is knuckle dipped in heavy blue nitrile, which protects the skin and keeps fingers dry. It also ensures excellent grip when working with greasy and oily items.

The NRB Comfort 8302 has a 7 cm gauntlet cuff for extra protection on the wrist while still making it easy to put on and take off.
