Product Description:

The OX-ON Worker Comfort 2302 is a soft and flexible work glove with great dexterity and tight-fitting around the wrist. Especially suitable for assembly work. OX-ON assembly glove is with knitted cuff and an extremely popular model, which has also raised the standard for this type of glove in the industry. Worker Comfort 2302 is made of soft goatskin. Unlined, for exceptional dexterity. Also features ideal fit due to stitching on the back of the hand and a knitted cuff at the wrist.
