### Total water consumption:

N/A

### Product Description:

OX-ON Flexible Comfort 1310 is an exclusive and durable all-round glove for those needing both optimal finger sensitivity and effective protection – whether you're working in carpentry, masonry, grinding, automotive, or assembly tasks. The Flexible glove adjusts perfectly to the shape of your hand, with the entire palm and fingers coated in sandy nitrile, providing an extremely precise grip in dry environments. The glove is also touchscreen-compatible, meaning you can easily operate smartphones, tablets, and other touchscreen devices without taking it off – a practical feature in today's modern workflow. Made from nylon and elastane, the OX-ON Flexible Comfort 1310 is fully breathable on the back of the hand and wrist, making this knitted glove both flexible and comfortable while ensuring a secure grip. The OX-ON glove is also OekoTex-certified, guaranteeing it contains no harmful chemicals or dyes.
