Product Description:

The OX-ON Worker Comfort 2303 is the welding glove for working with TIG welding, and that provides a soft, comfortable and pleasant work glove. The back of the hand and palm are made of soft and flexible goatskin with stitching for a secure fit while working. The 14 cm long cuff is made of durable split leather for forearm protection. Worker Comfort 2303 is unlined for excellent dexterity. This model is a high quality TIG welding glove.
