Materials:

leather 52%
polyester 48%

Product Description:

The OX-ON Winter Supreme 3607 is a complete, exclusive, warm and comfortable winter glove for carpenters, electricians, engineers, and assembly tasks, whether professional or private. Well-insulated, extra warm and tight-fitting, it can also be used for working in cold or freezer storage. Soft and flexible goatskin in the palm and fingertips with back of the hand in polyester to ensure a solid glove. Winter Supreme 3607 is lined with cotton and well- insulated for good heat retention when working in cold environments.
