Product Description:

The OX-ON Winter Supreme 3600 is an extremely exclusive and comfortable winter glove, which ensures warmth for fingers and hands under even extreme cold. Can be used professionally and privately for working under difficult and extremely cold conditions. The OX-ON Winter Supreme 3600 is the perfect choice for working in transportation, horticulture, refrigeration and freezer storage, gardening or snow removal. Features soft and smooth goatskin in the palm and fingertips, and a wind- and waterproof back of the hand in gray softshell polyester. This winter glove has a total of 70 g of Thinsulate winter lining, which ensures a comfortable and extremely warm glove. The glove also has Hipora inserts that make it 100% waterproof. The Supreme 3600 is an all-in-one choice for working in cold and wet environments, even for long periods of time.
