

Art. no.: 198.60

OX-ON Winter Basic 3000

Features:

- Affordable winter glove
- Soft and warm
- Suitable for work in cold environments
- Comfortable fit

Colours:

orange, grey

Materials:

latex 60%
acrylic 40%

Product Description:

The OX-ON Winter Basic 3000 is the winter glove for anyone who needs a good grip when working with e.g. scaffolding, masonry, waste disposal and lifting. The Winter Basic 3000 is an economically attractive and warm all-round glove suitable for most work situations. Tight-fitting. The knit is made of acrylic for warmth and softness, and that makes this glove particularly suitable for work in such industries as agriculture. The palm surface is coated with latex foam to ensure flexibility and a comfortable fit when working in cold environments. The latex coating on palm and fingers has a pattern that gives a safe grip.
