Product Description:

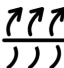

The OX-ON Knitted Supreme 13602 is a comfortable and functional lightweight cotton glove for working in warehouses, packing, assembly or in industry etc. This tight-knit glove is made of 100% cotton and can absorb sweat and moisture. The material allows your hands to breathe freely and is comfortable to wear for a long time. The glove is of very high quality with a perfect fit. The Knitted Supreme 13602 is also very suitable for environments where fingerprints must be avoided, such as metalwork or the installation of halogen bulbs. The glove also gives optimum finger sensitivity.
