- -----

Colours:

black

Product Description:

OX-ON half mask TPE 800 is a high-quality half mask with an anatomical design. The one-size half mask is equipped with adjustable elastic bands, so it can be easily and quickly adapted to your face, ensuring you always have a perfectly fitting mask. The respirator is also made of TPE (thermoplastic elastomer), which provides exceptional comfort when used. A unique exhalation valve significantly reduces moisture and heat inside the mask. This provides you with optimal comfort. Option to purchase P3, A2, A2P3, and ABEK1P3 filters. The filters are easily and simply mounted on the bayonet fitting.
