N/A

Product Description:

OX-ON Filter set Comfort P3 is the safety approved particle filter for you, who need to protect your airways against solid and liquid particles - as well as acidic gases below the Workplace Exposure Limit (WEL). The OX-ON filter is used when working in extremely dusty and particle-filled environments and provides protection against for example dust, smoke, fibres, viruses/bacteria, fungal spores, asbestos, insulation material etc.

The filter set is with bayonet connection, which makes it extremely easy and quickly for you to mount.

The OX-ON Filter box w/5 sets Comfort P3 consists of 5 sets of filters, which are used in conjunction with your OX-ON half mask.
