Product Description:

OX-ON Plaster Adhesive Comfort is ideal for securing dressings, cotton balls, or other small medical pads. This plaster is easy to tear, making it quick and simple to use without the need for scissors or other tools. The strong fixation ensures that the dressings stay in place even during movement, providing optimal protection and support. The plaster is designed to be versatile and can be used for various medical needs, from small cuts to larger injuries where extra fixation is necessary. The skin-friendly adhesive makes it comfortable to wear, and the flexible material easily adapts to the body's contours to ensure a secure and comfortable fit. Contents of the set: 1 pc 5 m x 1.25 cm.
