Product Description:

OX-ON Plaster Blister Sport Comfort protects the skin and prevents blisters from forming. The plasters reduce friction and provide immediate pain relief, creating optimal healing conditions for blisters. The hydrocolloid technology ensures a moist wound healing environment that promotes faster healing and reduces the risk of infection. This mixed pack of blister plasters is specially designed to fit both heels and toes/fingers, making them versatile and perfect for use during sports or daily activities. They are very adhesive and stay in place even during movement, providing reliable protection and comfort. Contents of the set: 1 pc 69x44 mm, 2 pcs 55x37 mm, 1 pc 61x18 mm.
