OX-ON Bandage Comfort, 4 m

Features:

- Fixation of bandages
- High elasticity

Colours:

white

Product Description:

OX-ON Bandage Comfort is a self-adhesive elastic support bandage, ideal for securing dressings. It is particularly suitable for use around joints and larger areas such as the abdomen. The bandage can also be used as light first aid support for overstrained muscles, tendons, and ligaments. The elastic material ensures a tight and secure fit, while the self-adhesive function makes it easy to use the bandage without the need for additional tape or clips. This bandage provides an excellent combination of flexibility and support, making it perfect for both daily use and emergency first aid. It is comfortable to wear and adapts to body movements, making it ideal for active individuals. Contents of the set: 1 pc 4 m x 6 cm.
