Product Description:

OX-ON Plaster Junior Neon Comfort is a water-repellent plaster with perforations, ideal for use on minor cuts and abrasions. These plasters are designed to protect small wounds from dirt and bacteria while allowing the skin to breathe. They are also sterile, ensuring hygienic protection of the wound. These colorful plasters are particularly attractive to children, making it easier to get them to accept the plaster on their wounds. The water-repellent property ensures that the plaster stays in place even when exposed to water, making it perfect for active children. The plasters are flexible and comfortable to wear, making them ideal for everyday use. With OX-ON Plaster Junior Neon Comfort, you can be confident that your child's wounds are well protected and have the best conditions for quick and effective healing. Contents of the set: 16 pcs 72x19 mm, 8 pcs 60x60 mm, 6 pcs Ø24 mm.
