Total water consumption:

0.363 m3 world eq.

Product Description:

The OX-ON Earmuffs R1 Supreme is an extremely comfortable passive hearing protector designed for those working in moderate to high noise levels. The pleasantly coated double headband minimizes heat buildup while ensuring stable pressure on the head and an exceptionally comfortable fit. The lightweight and spacious ear cups are made of impact-resistant ABS plastic with a premium rubber coating and feature a unique two-layer foam that provides excellent noise reduction. This well-designed and robust hearing protector ensures optimal weight distribution, offering exceptional comfort for the user. The OX-ON Earmuffs R1 Supreme has an attenuation value (SNR) of 37 dB. High frequency: 39 dB, mid-frequency: 35 dB, low frequency: 27 dB. With this hearing protector, you can enjoy the soft sealing rings that fit snugly around your ears, ensuring you feel well protected while working in moderate to high noise levels.
