Product Description:

OX-ON Tecmen Earmuffs f/G20 is a passive hearing protector suitable for the OX-ON TECMEN Helmet G20 f/PAPR Comfort. Includes adapters for mounting. A hearing protector for those working in a moderate to high noise level who want to mount the earmuffs directly onto the G20 head unit. The helmet bracket with stainless steel spring steel provides a comfortable pressure. This allows you to wear the hearing protector for extended periods without discomfort. The oval cups are made of impact-resistant ABS material, ensuring a comfortable fit around the ears. You will notice good internal depth, and the soft sealing rings fit snugly around your ears. The hearing protector has an attenuation value (SNR value) of 30 dB.

High frequency: 35 dB

Mid frequency: 28 dB

Low frequency: 21 dB
