### Product Description:

OX-ON Kneepads Comfort are the kneepads for you, who wish to be sure that you get the optimal relief and protection when you work on your knees.

The outside consists of PU/nylon, which makes the knee pads extra hard-wearing and durable, while the inside is padded with soft and comfortable cowhide, giving you maximum comfort.

OX-ON Kneepads Comfort are, truly exceptionally, provided with shock-absorbing material that gives you the best protection at work. With the combination of a robust and durable surface and a soft and comfortable inner side, these kneepads are thus also suitable for prolonged work on for example coarse surfaces.

The kneepads are provided with velcro-closure that makes it easy to take it on and off, and that ensures that they fit you perfectly.
