Features:

- Extremely breathable
- Hard-wearing
- Unique comfort
- Zipper
- Ergonomic design.

Colours:

white

Product Description:

OX-ON SMS Coverall Comfort is a breathable and durable protective coverall for you, who work with maintenance, spray paint, insulation, pharmaceuticals, wood, metal or spray from detergents. This protective coverall is made of triple layer SMS material. This makes this model especially breathable and at the same time you are well protected against external particles such as asbestos. SMS Coverall Comfort provides limited protection against spray of chemicals. The coverall is type 5 and 6-approved, which means:

Type 5: Hazardous Particulate Protection. The coverall protects the entire body against airborne solid particles.

Type 6: Liquid Splash Protection. To a limited extent the coverall protects against a light spray of liquid chemicals.

Besides a protective and breathable effect, the ergonomically designed coverall is also incredibly comfortable to wear. Elastic in hood, ankles, wrists and waist ensures you good mobility and an optimal fit. Furthermore, the coverall is provided with a zipper with a flap for protection of the zipper. With OX-ON SMS Coverall Comfort you get an exceptional comfort, which will make you feel well and safely equipped for your work.
