- Affordable
- Adjustable elastic band

Colours:

clear

Product Description:

OX-ON Eyewear Goggles Basic Clear are comfortable, affordable and approved safety goggles for you, who work in dusty environments. The lens of the safety goggles is clear, and is made of impact-resistant polycarbonate.

The frame is made of a soft material, which ensures that the safety goggles are close-fitting and that they adapt themselves to your face.

For comfort and safety the goggles are provided with small ventilation holes in the side of the frame. This removes moisture and prevents fogging of the goggles while working.

The OX-ON safety goggles are fitted with an adjustable elastic that you can quickly and easily adapt before use.
