Product Description:

OX-ON Eyewear Goggles Comfort Clear are very strong and safety approved safety goggles for you, who work in dusty environments and with tasks, during which splashes of liquids or oil may occur. The safety goggles are provided with a clear lens, which is made of extremely impact-resistant polycarbonate.

The frame is made from a soft close-fitting material that adapts itself to your face.

For increased safety, the liquid and oil-resistant safety goggles are provided with covered dust and liquid-tight ventilation holes that prevent the goggles from fogging during your work.

The OX-ON safety goggles are fitted with an adjustable elastic band that you can easily and quickly adapt in connection with your work.
