Product Description:

OX-ON Eyewear Eyepro Comfort with clear lenses are affordable, durable and safety approved glasses for you, who need side shield protection and adjustable temples.

The clear lenses make the safety glasses ideal for both indoor as well as outdoor use.

With the incorporated side shield protection, you get a pair of lightweight glasses that protect your eyes against particles and fragments from the side.

The lenses are produced in impact-resistant polycarbonate and have an optical class 1 certification, which makes the safety glasses applicable for permanent use. At the same time the lenses provide you a 99.9% UV protection.

With the length-adjustable temples you can quickly and easily adapt the glasses to your face.
