Product Description:

OX-ON First Aid Box Pro Comfort is a professionally assembled and compartmentalised case with first aid equipment for small or medium-sized businesses with between 1 and 50 employees. First Aid Box Pro Comfort is made of impact-resistant ABS material and therefore complies with the DIN 13157 standard. With this first aid case, you get all the necessary items required to provide first aid in the event of an accident or incident. The set includes a practical wall bracket, allowing you to hang the case so it is visible and easily accessible. The material remains stable at both low and high temperatures, and the case is fitted with a sealing strip that provides increased resistance to weather and wind. The product is therefore well suited for use on construction sites and in other demanding working environments. However, for prolonged outdoor placement, it is recommended to use a protective cover for extra protection against rain and moisture. OX-ON First Aid Box Pro Comfort contains:

- 1 Tape 2.5 cm x 5 m
- 12 Elastic plasters 10 cm x 6 cm
- 6 Plasters 4 x 6.5 cm
- 6 Plasters 2 x 12 cm
- 6 Plasters 1.9 x 7.2 cm
- 12 Plasters 2.5 x 7.2 cm
- 1 Sterile gauze compress 6 x 8 cm
- 3 Sterile gauze compresses 8 x 10 cm
